Mr. Arthur C. Wyman
Assistant to Curator
The American Numismatic Society
New York City

Dear Sir:

I wish to thank you for your letter of March 21 with reference to the data of a coin submitted you by the Director of the Science & State Museum at Albany. My absence from the city has occasioned this tardy acknowledgment of your courtesy.

If the possessor of the coin wishes to send the coin, or an impression, for greater certainty of identification I shall gladly avail myself of your suggestion.

Very truly yours,

(Mrs.) Elizabeth W Blackall
